“ My Aunt Ruth has always been a bright light for me, Even though she is in Heaven now her light stills remains in me. If I could sing my heart out to her, I would. If I could write poetry to express my love for her, I would. Since I can't sing or write poetry, I will let the following YouTube link do it for me. The music, message, and lyrics by the young men of Westlife will move anyone who has ever experienced the loss of a loved one - "I'll See You Again". Yes I will Aunt Ruth. I love you!
