“ Have not seen Shirley recently but will always treasure her friendship from our high school years and as members of the Kennett Square Country Club. Her subtle sense of humor, our Washington DC senior class trip, smoking a cigar, and her charming pleasant ways are all great memories. She will be missed.

“ She was an inspiring and loving person. We are all just a bit of a better person because of this. She will always be remembered by those who loved her and everyone who met her.
