“ *So sorry to hear about the loss of Susan. Our family always remember the Sunday dinners in Whitehaven with Lee and Nancy and Michelle and Melody when the children were small. Susan always added laughter to those dinners when all of us kids would have rather been somewhere else. We will always treasure those memories.. The family is in our prayers.. The Robertson family.. Peggy, Shirley, Randy, Jimmy and our families.*

“ *I was so shocked and terribly saddened to learn that this sweetest of souls had passed. I was blessed to be her stylist for more years than I can remember and always, always looked forward to her visits. She had so much love to give and she gave it freely. She would never leave without a big hug, kiss and a heartfelt I love you. She loved her family so very much and was extremely proud of every single one of them. She spoke often of her grandchildren and what a joy they were to her. I will miss her terribly. My sincerest condolences to her entire family. I know her loss is huge. Rest well sweet Susan. I love you.*

“ *What wonderful memories I have for the Mother of my children. They were the joy of her life and she loved them both dearly. I have fond memories of our time together and the friendship that continued over the years. Susan was the best Mom to her children and grandchildren. The years that we spent together may not have been a lifetime but the recent years brought us closer together. Times change but Susan never did. She was always pleasant with everyone. I could not have had a better Mother for my children and grandchildren. My sorrow is for everyone who will miss her as she has left us way too early. I will always cherish the time we spent together and only wish that she was here to cherish all that will be remembered of her.*

*What blessing to have Susan as a sister-in-law. Too soon twenty-one years ago I lost her brother and my husband, Donald. The Strick family was closer while the grandchildren were younger. How sad to lose that as life moves on. Susan was a generous and loving person and will be missed by all who knew and loved her. She is with Donald, Mom & Pop Strick watching over us all. Praise God! Love, Diane
PS. What a beautiful tribute from Lee!*
