“ *Walt and I worked together at Homeworks. He and I were the same age. We loved to talk about our "younger days when life was fun" He made me laugh and think and I think those were his best qualities. I am glad to have had him as a friend in my life. I am so sorry for your loss. Please know that he will be in my heart for a very long time.##imported-begin##Ruan Harbour##imported-end##*
