I am so sorry not to be able to make the funeral service to say a farewell to Billy! His life was cut short way too soon.....and I know he has touched many in his time on this earth. I look at his picture now and see his DAD--my Uncle Henry.....and believe he had the same easy going spirit as his dad. Isn't that easy manner what make a fisherman good at the sport. Takes a lot of time and waiting for a good catch. May his memory live on in all of us and recall our fun times growing up in Baltimore when life was not so complicated. My deepest condolences to his wife, grandchildren and brothers and sister and all friends and families/
